

## Moscow Workshop on Electronic and Networking Technologies together with Siberian Conference on Control and Communications

Number in calendar of IEEE: 42738

14–16 March 2018

Moscow, Russia

[mwent.hse.ru](http://mwent.hse.ru)

In the Moscow Institute of Electronics and Mathematics (MIEM HSE) will be held conference, which unite International Moscow IEEE-workshop (**MWENT-2018**) and Siberian Conference on Control and Communications (**Sibcon-2018**). The conference devoted to the issues of electronics development and its integration into the modern network engineering technologies and also modern achievements in the field of creation of control and communication systems.

The **Aim of the conference** is to provide an international forum for discussion of recent scientific advances in the electronic industry.

Key **objectives** of the conference:

1. Fundamental problems of radio electronics.
2. Technologies of electronic instrument engineering.
3. Network and telecommunication.

The conference will include **plenary and regular sessions, round-table discussions and master-classes**.

All participants of the conference should register at [mwent.hse.ru](http://mwent.hse.ru)

All accepted papers will be published in conference Proceedings, registered in IEEE Xplore and indexed in scientific databases. The participants will be provided with the electronic version of the proceedings.

Original articles should include well-founded scientific results and prepared according to the IEEE requirements available at the conference website. The papers submitted on time and prepared in correct format will be reviewed by the program committee as well as by the IEEE experts.

### Important dates:

**20 November 2017** – registration and paper submission deadline;

**20 December 2017** – notification on acceptance;

**14 February 2018** – deadline for the registration fee payment;

**14–16 March 2018** – the conference.

### Registration fee:

4500 RUB – for IEEE members;

5500 RUB – for students and postgraduate students;

9500 RUB – for all other participants.

Registration fee includes publication in the conference proceedings, coffee-breaks and high dinner.

**Venue:** Moscow Institute of Electronics and Mathematics of National Research University Higher School of Economics.
